SOT-23

NPN

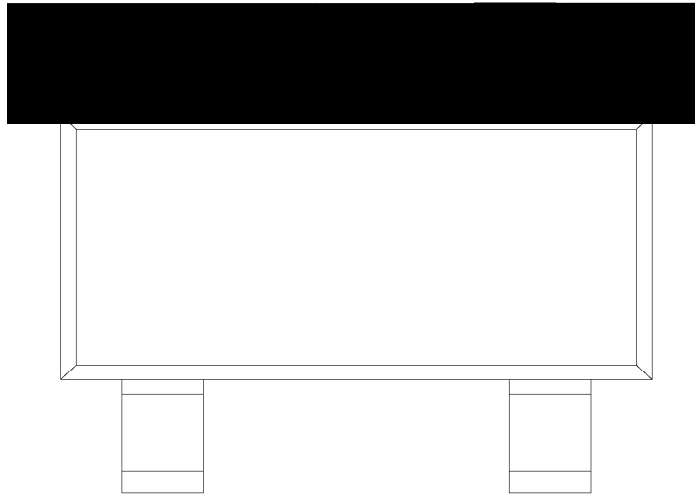

Silicon NPN transistor in a SOT-23 Plastic Package.

Low current, Low voltage.

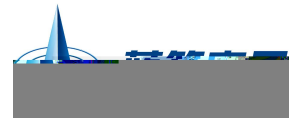

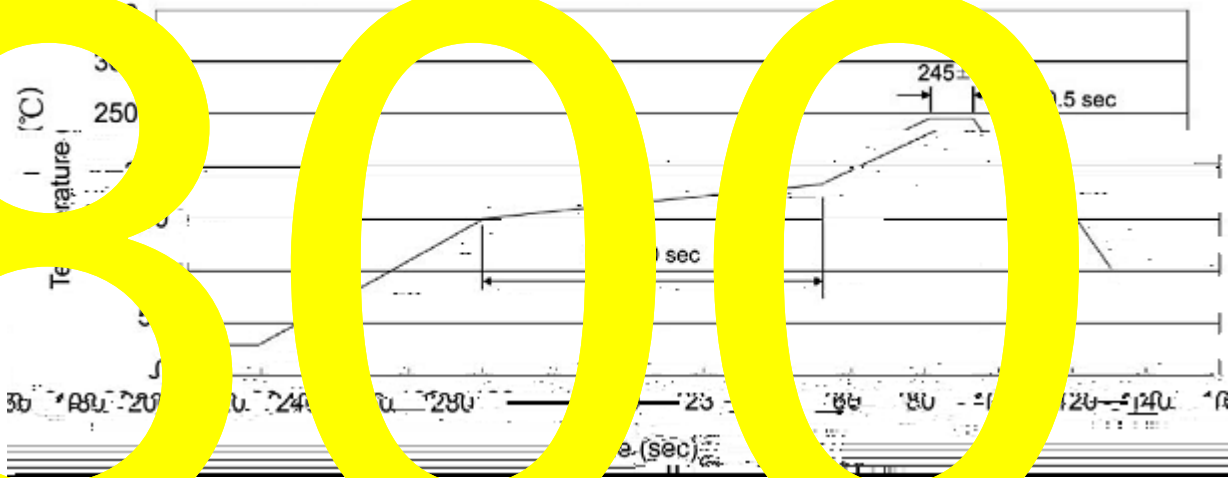

H  
1J

### Temperature Profile for IR Reflow Soldering(Pb-Free)

Note:

1            25 150            60 90sec;  
 2            245 5            0h0se            5 0.5sec;

1.Preheating:25~150 , Time:60~90sec.  
 2.Peak ±            2.0
